Basic Package \$500

For those who want their wedding filmed on a budget, this basic package is great for getting the important moments of your big day on video for a low cost. We send a single videographer with one camera out to film in 1080i, and edit your footage to the best moments.

- Ceremony and reception coverage
- One videographer/one camera coverage (add additional camera for \$300)
- Raw footage only two copies provided

Premiere Package \$1000

This is where your wedding video really starts to take life. We send one videographer out with two cameras to capture multiple angles throughout the entire ceremony and reception. We then edit your footage onto a DVD with a custom menu and a custom-designed DVD cover and label.

- Coverage of the entire wedding ceremony and reception
- One videographer/two camera coverage
- Professional video editing
- DVD menu with chapter selection
- Custom-designed DVD cover and label
- Add a Wedding Highlights Video for just \$300

Luxury Package \$1900

We pull out all the stops with the Luxury Package. We send two videographers to film your entire wedding. Not only do you get the artistic vision of two filmmakers, they collect interviews of family and friends and capture those special pre-wedding moments. Don't miss this opportunity to capture the best moments of your once-in-a-lifetime event.

- Pre wedding coverage
- Coverage of the entire wedding ceremony and reception
- Two videographers/two camera coverage
- Professional video editing
- DVD menu with chapter selection
- Wedding Highlights Video
- Video messages from family and friends
- Custom-designed DVD cover and label
- Add a slideshow video for just \$100
